This Black-owned cleaning company can make your business of any size spotless. Black-owned cleaning company A to Z Custom Cleaning is locally owned and operated. Founded in March 2018, A to Z started by offering residential cleaning. Since then they have grown to incorporate commercial cleaning, industrial cleaning, and food service cleaning. A to Z Custom Cleaning Services delivers professional, reliable and sustainable cleaning services. They supply all of the equipment, knowledge and elbow grease to tackle just about any cleaning job. There is no mess too big or too small for A to Z! Their staff is committed to providing consistent and dependable service and excellent customer care at every interaction. They offer custom cleaning solutions designed to meet your needs and exceed your expectations. They understand that different businesses have different needs. A to Z Custom Cleaning Services provides janitorial services for banks, multi-tenant offices, industrial facilities, medical office cleaning, government buildings, schools and more. What sets them apart is their attention to detail. Their custom cleaning solutions take into consideration areas with high-touch points that are often overlooked by most commercial cleaning companies. A to Z is locally owned and operated, meaning they have a vested interest in the cleanliness of your facility. Their professional staff is fully insured and bondable. They perform intense background checks on all of our staff to ensure they meet our high standards. Their staff members wear professional attire, including a company shirt and apron whenever they are on the job. They hire individuals with cleaning experience. Currently, their team has approximately 10 years of cumulative cleaning expertise. Additionally, each staff member goes through customer service training at the time of hire. Their leadership team is available 24 hours a day to address your questions or concerns. Your satisfaction is a top priority with A to Z Custom Cleaning. They highly regard the feedback and opinions of their customers.
