Cincinnati Black-owned Hair Salon Abiona Hair Design can maintain natural and relaxed hair. Frustrated with your current hair situation? Want the latest/ trendy hairstyles? Need to get hair back healthy? Try Cincinnati Black-owned hair salon Abiona Hair Design. As an advanced cosmetologist, Abiona Johnson knows how to manage some scalp disorders, corrective style methods, growing back from breakage and severe shedding issues. It may require a consultation different from the day of the service. Product is usually necessary for treatment in most categories. Because a patch test may be given also a release form will be needed to be on file. About Abiona Jamison She has been in the industry for 10 years, in hair shows and magazines advertising models with her favorite up-dos and haircuts. Johnson regularly attends hair shows in Cincinnati, Indiana, Atlanta and as close as Columbus. She have a number of certificates and recommendations for styling and treatment of healthy hair and scalp. She use professional products, so to ensure everything needed to successfully provide the service and work efficiently with the time booked. The consultation process is definitely mandatory. It may be the day before depending on the booking. At this moment in time, she is exploring additional services such as mirco-blading, eyelash extensions, facial messaging, retailing products and sisterlocking. These services may be added to the menu. Below are current services: – Haircut – Shampoo and condition – Cut and dry styles – Relaxed and natural styles – Wash and trim styles – Quick weave and sew-in styles – Braid and twist styles Services also include men and children styles , shape-ups fades, tapers, color services for men and women, locks start-up (beginners), re-twist, interlocks, lock styles, up do’s and lock refresh. Beauty Services include eyebrows, wax lips, tweeting, eyelash enhancements, and strips. Children are not allowed in the salon unless being serviced including pick up and drop off service. Her motto is” Your head. My hair”. Make you appointment today! She looks forward to meeting you.
