Dawson Heating & Air Conditioning can take care of your summer and winter needs. Mr. Thaddaus Dawson Sr. is the sole proprietor/ owner of Dawson Heating & Air Conditioning. Dawson Heating & Air Conditioning provides HVAC maintenance and repairs which has been servicing the Greater Cincinnati area for more than 25 years. We take pride in our work and the services we provide to our customers. No job is ever too big or too small. We provide services to both businesses and homeowners. Their standard is excellence. We want to ensure the services we provide not only meet but exceed the expectations of their customers. The service technicians are highly skilled, trained and qualified. They will arrive on time and leave your business or home with no trace that they were ever there. The rates are very reasonable and affordable. A flat service fee for all service calls will be charged. Service technicians will arrive with a fully stocked vehicle to meet all of your repair needs. No work will ever be performed without your permission or consent. Most service calls can be scheduled within 24 hours of the request. Operating hours are Monday through Friday 8:00 a.m. to 4:00 p.m. After-hour and emergency appointments are available at an additional charge. Please call their office today to schedule an appointment 513-281-3311. Remember heating and air-conditioning units require periodic checks. Don't wait until you have an emergency to call. They also provide maintenance services. Proper maintenance can save you hundreds even thousands of dollars. Our office is conveniently located in the Bond-Hill/Roselawn area. Forms of payment accepted: cash, check, Visa, Mastercard and Discover. Dawson Heating & Air Conditioning is a fully licensed, bonded and insured business. EPA and NATE certified. We are also a member of the Better Business Bureau. Please check us out and follow us on Facebook, Instagram, LinkedIn and Twitter. Our motto is, "We're not the biggest just the best!"
