Integrative Family Care

Address	2200 Victory Parkway
Contact Person	
Mobile Number	
Email	

We are an independent medical practice providing affordable family medical care to individuals and small businesses. We take care of individuals for $80/month for adults, $30/month for children, regardless of insurance status. We offer improved access to your physician, with same day/next day visits when needed, texting/phone visits, and ample time to truly care for you. Small businesses can offer membership to their employees as a medical benefit.
