Call Black-owned HVAC company KP Heating & Cooling for your summer and winter needs. KP Heating & Cooling, LLC is a Cincinnati black-owned HVAC company that specializes in the repair and replacement of furnaces, central air-conditioning, water heaters and boilers. Owner Kenyatta Morris has been in the HVAC service industry for more than four years. Morris currently holds a Degree in HVAC-R and has a certification with North American Technician Excellence (NATE), Tracpipe, and EPA universal. KP Heating and Cooling is a Section 3 company with SBE & MBE certifications. Also, they have accreditations from the BBB & a member of the African American Chamber of Commerce. They are committed to providing exceptional customer service and believe that no client should wait for HVAC system repairs. Their goal is to help increase the health, safety & comfort of your home by improving your indoor air quality. Whether you need a routine maintenance check or an emergency repair on a heating or cooling unit, this black-owned HVAC company is available to handle all of your HVAC. They will work with you to find HVAC solutions that fit your heating and cooling needs. KP Heating and Cooling provides full consultations to explain available options. In addition, serving both residential and light commercial clients, they offer a variety of money-saving solutions. Also, they combine their use of the highest quality parts and equipment to provide you with top quality service. KP Heating & Cooling, LLC continually strives to exceed expectations by ensuring that each client receives the very best service. If you have concerns about your indoor air quality, be proactive and schedule your consultation today.
