Black-owned Cincinnati beauty salon specializes in protective styles, waxing and nail services. Magic hands, LLC is a black-owned Cincinnati beauty salon. This salon specializes in various services ranging from coloring, haircuts, and keratin treatments to protective styling, braids, locs, and extension services. Also, the salon offers waxing and nail services. Currently, an online app is available for you to use to book your appointments at your convenience. It lists all services, pricing, availability, address and number to contact for questions. Upon booking, you will receive three reminders before your scheduled appointment. Starting in 2019, deposits are a requirement for all appointments. The core values of Magic Hands, LLC are to boost your self esteem, promote and protect your healthy hair, and to provide hair education. Also, the salon stays true to their motto, “a stylist that doesn’t suggest new things to you, is no stylist at all.” Sitting in their chair is a fun and soothing experience. Visit their online gallery to view various hairstyle options. The world of beauty and wellness is their habitat and they can’t wait to service you. About Alexis Thomas Alexis Thomas, owner of Magic Hands LLC, graduated head of her class from the world-renowned Aveda Fredrics Institute. She obtained her license from the state of Ohio in October 2011. She enjoys every minute living in her passion and invites you to “Come see the magic”. Being Aveda trained, she uses natural plant and fruit based products, along with wellness journey services. Through the years, Alexis Thomas obtained various beauty certificates in order to perform new techniques. She believes that learning new tricks and working with new products is bliss. You will enjoy having her as your stylist because customer satisfaction is very important to her. Making your life easier gives her joy.
