Do you need to upgrade your business? Try this Cincinnati Black Media Consulting Company. Cincinnati Black media consulting company, Nahamani.org offers communication services to business owners. They specialized in Management Consulting in the area of Change Management. They also offer a variety of Internet Marketing Services including professional Website Design and Development, Social Media Marketing and Management, Email Marketing and Search Engine Optimization and Advertising. They also provide Public Relations Management to business owners, brand strategist, and creatives including authors, filmmakers, poets, and public speakers. Nahamani.org's mission is to deliver solutions that yield results. To accomplish this goal Nahamani works one-on-one with organizational leaders including small business owners, directors of non-profits and c-suite professionals to help each client develop a winning strategy that will take their business or organization to the next level. All of the services offered by Nahamani.org are geared toward helping business owners communicate the value of their product or services to their target audience in a manner that is effective, engaging, easy to understand. Website created by Nahamani.org are both functional and aesthetically pleasing with a focus on optimal search engine placement and ease of navigation. Customers can determine whether they are looking for a one-off service, such as their Mini Press Kits, designed to help businesses promote a specific event by engaging local media professionals, or they need ongoing services such as PR Management, where they help individuals create a long-term strategy to spotlight the client through media relations, speaking engagements, and influencer marketing. Nahamani.org is owned and operated by Nahamani Yisrael, a Cincinnati native who is dedicated to helping small business owners create thriving business enterprises that are sustainable for generations to come. Nahamani is a graduate of Xavier University where she obtained her BSBA in the area of Business Management. She teaches Ice House Entrepreneurship classes at Greater Cincinnati Microenterprise Initiative. She is a member of the Board of Directors at Bethany House Services, a local non-profit that is working to eliminate family homelessness throughout Greater Cincinnati.
