About SavKon Construction provides commercial renovation services in Franklin County and surrounding areas within a 75-mile radius. It is a respected MBE, EDGE, LEDE, WOSB, SDVOSB, and Section 3 certified company located in Columbus, OH. We specialize in acoustic ceilings, demolition, drywall, and framing. Our primary goal is to exceed customer expectations on every project. We take pride in building solid relationships and extending our client base. SavKon strives to be the company of choice for General Contractors, federal agencies, and private clients. We are proud to be accepted in the city of Columbus' Business Opportunity Assessment Program (BOAP) and look forward to expanding our construction services throughout the state of Ohio.

Past Performance:

- Removed and installed over 25,000 sq ft of ceiling tile and grid for Bureau of Worker's Compensation in Pickerington, OH
- Residential rehab for two separate 3-story townhomes to include kitchen upgrades, ceramic tile flooring and bathroom upgrades in Towne Park subdivision in Columbus, OH
- Upgraded investment properties for KE-ABB Properties, LLC in Pickerington, OH
- Removed debris, replaced acoustic ceiling tile and grid, and repainted a water damaged home in Columbus, OH
