The United Urban Network, Inc. (UUN) is a Gary, Indiana based not for profit organization. Our networking serves as both a resource directory, and a feeder system to our outreach and pilot mentoring program, with emphasis on the youth. The U.U.N. affiliates are from every background of culture, education, and entertainment with the purpose of providing a valuable service of networking and communication to create a cycle of win-win opportunities which will enhance the lifestyles of the citizens, and our communities
