This Cincinnati Black-owned Design firm will help you articulate the style you are going for. Cincinnati Black-owned design firm, Your Design Partner, LLC was established in 2010 by Ricci Jackson. Ricci is the only designer in the area who leverages “Mood” as a springboard for design projects. She has discovered that most people struggle with articulating their design style, and believes this approach feels more authentic and empowering. The Your Design Partner, LLC client is a busy homeowner who enlists the help of a professional to save themselves time, overwhelm and to avoid design missteps. The firm offers 3 distinct design services to meet clients at their level of need . 1. E-design – This new digital design service offers an affordable option for DIY’ers. 2. Refresh your space – This popular service is for minor updates that bring a refresh to the home and the people who live there. A typical refresh includes a design plan for 1-3 rooms. 3. Total home design- This plan is ideal for new homeowners looking for a design plan for the entire home. Other services Your Design Partner, LLC offers: – Re-upholstery – Lighting and flooring – Space planning – Furniture arrangement – Wallpaper hanging – Fabric yardage – Paint consultations – Custom blinds and shades – Custom draperies and curtains – Valances, top treatments, cornice boards – Swags – Custom bedding – Custom pillows and shams – Product sourcing (furniture, rugs, home accents and accessories) Design Aesthetic When asked what her design style is, Ricci often says her design style lands somewhere between minimal and maximal. She likes liveable with a little luxe and casual with a flair of elegance. She has a natural inclination to create harmonious spaces that are punctuated with moments of interest, but at the end of the day, what matters most is discovering what her clients desire and helping them create it”. According to the founder, working with your design partner might cause you to… – Smile when you see the finished project – Experience joy and a refreshed spirit – Want to entertain more often – Feel a sense of peace, comfort and pride in your home – Fall in love with your home again.
